03 FORGED DEATH CERTIFICATE — ANALYSIS

AFFIDAVIT TO ESTABLISH A DEATH CERTIFICATE — SIGNED & NOTARIZED JANUARY 16, 2026 BY STEVEN A. WALDMAN

Claims: Veronica L. Waldman died **August 26, 2016** · Brain Injury (immediate) · Contributing: Schizophrenia · Manner: Accident · Facility: St. Elizabeth, Lansing MI · County: **Boone County** · Residence: 19442 Chelsea CT Golden Beach Miami-Dade. Notarized by Marie G. Dohler, Commission HH 406523, Florida. Signed while under active felony probation.

FATAL FLAWS IN THE DOCUMENT

Notarized January 2026 — not a historical document. Created 4 months ago while VOP proceedings active.

Boone County is in Missouri — not Michigan where St. Elizabeth Lansing is located. Geographic impossibility.

Medical certifier: "Unknown" — invalid on any legitimate death certificate. No hospital would issue this.

Residence address from 2003–2006 — 19442 Chelsea CT was active a decade before claimed 2016 death.

His own attorney filed her medical records one month earlier (12/07/2025). She cannot be dead and have current medical records.

Florida Supreme Court filing — she personally signed a court document July 22, 2019. Three years after supposed death.

No obituary anywhere — zero results across Legacy.com, Find A Grave, Ancestry, newspapers.com, Michigan funeral homes, or any database.

No SSDI entry — Social Security Administration has no death record for Veronica Lee Waldman or Veronica Lee Krebs, DOB 1969.

WHY HE FILED IT — POSSIBLE MOTIVES

Asset consolidation — Veronica holds business assets, accounts, and corporate positions as DWGI President. Death cert would transfer control to him.

Income concealment — Veronica's income flows through her name. Declaring her dead while she's alive shields that income from PO scrutiny.

VW Family Trust — successor trustee rights on trust assets. Death cert would give him legal claim to trust-held property.

VOP proceedings pressure — signed January 2026 in middle of active VOP hearing. May relate to financial disclosures required by the court.

Possible exploitation — if Veronica is incapacitated, this consolidates control before Cheri Krebs (age 75) can no longer manage Veronica's affairs.

04 CURRENT VOP — 4TH VIOLATION

VIOLATION 1 — RESTITUTION DELINQUENT

Original obligation: \$674,364.36 to 71 victims (sentencing 08/08/2006). Current balance: \$434,941.82. Required \$850/month since Jan 2022. Zero payments since

reinstatement 04/05/2024.

VIOLATION 2 – TAX RETURN NOT PROVIDED

Required to provide sworn 2023 personal tax return by April 15, 2024 as special plea condition. Not provided as of 12/27/2024. Defense produced in discovery 12/07/2025 – does not cure violation date.
